Monday 18 June 2018 9.30am - 6.00pm

THE CAREERS, JOBS, SKILLS
AND APPRENTICESHIP
EVENT

Dear Parent / Carer

Brought to you by Liverpool City Region Apprenticeship Hub, the Liverpool City Region Skills Show is a free one-day event, which brings together the residents of Halton, Knowsley, Liverpool, Sefton, St. Helens and Wirral with local employers, apprenticeship providers, colleges and universities under one roof.

Do you know what choices are available to your child once they leave school or college and how can you support them make informed choices and find accurate and up-to-date information about careers, apprenticeships, training, courses and qualifications?

The Liverpool City Region Skills Show is a unique opportunity to discover a wide range of career and apprenticeship opportunities through hands-on activities, interactions with employers and career related seminars.

You are invited to go along with your child free from 3.10pm until 6.00pm.

Encourage your child to:

- * Visit the different stands, talk to the exhibitors and try the activities
- * Find out what the various companies do, how they recruit staff and what they can offer
- * Think about what suits them, not what their friends are doing
- * Explore many different options, rather than just their ideal choice
- * Not be scared to talk to the exhibitors, they are all really friendly

After the event, take time to discuss what you found out and the options available. What exhibitors do you want to contact directly and which open days do you want to attend. If your child was particularly interested in a certain company or organisation, encourage them to contact them, research online and follow their social media sites for further information.

To book your free place visit www.apprenticeshiphub.org.uk

We hope you make the most of this fantastic opportunity.

Yours sincerely,

James H Beaton
Head teacher
