

Thinking about a career in the NHS? Healthcare scientists make a difference to patients' lives – "so can you"

52
specialisms

50,000 staff
in England

healthcare
scientists don't
just work in
a lab – many
work regularly
with patients

involved in 80%
of patient diagnosis

5% of the total
NHS workforce

one of the
most exciting
parts of the
NHS to
work in
