March 2017

Dear Parent/Guardian,

Please find enclosed your son/daughter's results from the March series of mock examinations. These were the last set of examinations to be sat by Year 11 pupils before their actual GCSEs and, thus, provide a good indication of how well they will fare in May/June. The results contained within are based on how well pupils achieved in the written examination alone and do not include any contribution from controlled assessment or practical tests. The rationale behind this decision was to highlight to pupils the value of thorough preparation for the written component of their GCSEs and how it can impact on their overall grade.

As is usually the case, when we distributed the results on Friday, some pupils were happy whereas some were disappointed. We have been careful to remind pupils, though, that where they might have been disappointed with their mock examination results, they still have enough time to take decisive action and achieve their target grades.

This is where we need your support as parents/guardians; it is only through working together that we can help your child achieve these grades. With this in mind, we invite you to discuss your son/daughter's progress at our final Year 11 Consultation Afternoon. The event will take place from 2.30pm-4.30pm on Tuesday 4th April 2017.

We hope to see you there at this, the most important time of your child's school career.

Yours faithfully

James H Beaton
Headteacher
