

Specialist Engineering and Creative Arts College

4th October 2019

Dear Parent/Guardian,

This is to inform you about the Future Focus Careers event taking place in school on Monday 9th December 2019 between 3pm and 6pm. Please add this date to your diary.

We are delighted that over 40 organisations are supporting this event, including Colleges, Training Providers, Universities, Employers, Advisors & ambassadors from a wide range of business professions, including Fazakerley Alumni. Each organisation will be on hand to offer you the very best advice and guidance for your son/daughters future.

We would encourage you to visit this event given the importance of your child’s decision making with post-16 option choices and career pathways. You will have the opportunity to circulate the sports centre and speak to relevant providers or employers to gather information, booklets, advice or complete an expression of interest. Please also note – if you as a parent would like any careers advice then please make the most of the support on offer.

If you or the company you work for can support this event, we would be extremely grateful – Contact Miss Jones by Email: julie.jones@fazakerleyhigh.org or 524 4530.

Please confirm attendance using the slip below, this should be returned to the Careers Hub as we need to make arrangements for parking and refreshments. Or you can confirm attendance by email.

We look forward to welcoming you on the night.

I will be attending the Future Focus Career Event - Monday 9th December 2019 3-6pm

If parents cannot attend due to work commitments please ensure your son/daughter still attends or arrange for another family member to come along
