Dear Parent / Guardian,

I am writing to you reassure you regarding concerns you may have regarding coronavirus. As a school we are monitoring the situation closely and following the daily guidance provided by the Department for Education and Public Health England for schools.

Public health advice about how we can help stop the spread of viruses like coronavirus (COVID-19) by practicing good respiratory and hand hygiene has been shared with all staff and pupils by explaining thorough hand washing techniques and by following the 'Catch it. Bin it. Kill it.' campaign of using tissues and disposing of them. Posters are displayed around the school as a reminder.

We have increased the amount of anti-bacterial hand sanitiser available to staff and pupils around the school building. Deep cleaning and disinfection of all areas of the school building is being carried out daily and repeated disinfecting of door handles etc. is happening throughout the school day.

I would like to reassure you that at this time there are no reported cases of coronavirus with any of our pupils or staff.

Yours faithfully,

Miss H Duggan

Headteacher
