June 2020

Dear Parent/ Guardian

Transition 2020

We are delighted to welcome you and your child to Fazakerley High School as part of our new Year 7 class of 2025!

Whilst this year may look and feel a little different due to unusual circumstances, please be assured our aim is still the same – to ensure transition is smooth and stress free (as much as it can be) for you and your child. We are working hard behind the scenes to ensure that things are in place as quickly as they can be.

To help with transition, you will receive the following on the next few weeks and months

- Crucial information about uniform, policies and procedures
- Sheets for your child to complete at home to post back to us (to ease any worries)
- Regular updates on twitter about transition and sources of support (please follow us on our twitter feed)
- A special 'Transition 20' tab on our website with crucial information
- A 'Year 6 surgery day' when you can phone in and ask / email any questions you have for us.

We will be contacting you with more information about how all of this will work. While we can't say yet when we'll be able to open the school fully, we'll keep you updated as much as we can so you know what's going on.

We're looking forward to getting to know you and your child over the coming term as we prepare for a fantastic year ahead.

Kind Regards

Miss Alicia Robbin
Assistant Headteacher
