June 2020

Dear Parent/ Guardian

Transition 2020 - Letter 3

We are delighted to welcome you and your child to Fazakerley High School as part of our new Year 7 class of 2025!

From the 30th of June we will be launching our 'KIT: Keeping in Touch Days' for our new class of 2025. Phone lines will be manned by key members of staff, and if you want to ask anything in regards to Year 6 transition this year, please phone between 10am and 2pm. All of our feeder primary schools have been allocated a specific day to make contact.

Table

Alternatively, if you would like to email in any queries, please feel free to do so at Transition20@fazakerleyhighschool.org and we will endeavour to answer any question you may have.

This week there will also be added information on the 'Transition 20' section of our website, and further tweets for your child. Please keep your eye out online and in the post for further information coming from us.

Kind Regards

Ms Alicia Robbin
Assistant Headteacher
