Hello New Year 7!

I hope you and your families are safe and well.

When you join Fazakerley High School you can look forward to lots exciting lessons in a happy learning environment where you will develop a tremendous amount of new knowledge and skills.

To give you a taste of what you can expect, I have enclosed a pack of transition work for Maths, English and Science for you to complete. As you will find out when you join us, we expect your absolute best, so:

- Take your time.
- Think carefully about each activity.
- Take pride in the work you produce.
- Most of all - enjoy it!!

Please keep your work safe in the envelope provided so you are ready to bring it in on your first day as a Fazakerley High School student.

Please do get in touch if you need any help with any of the activities. We can't wait to meet you in September.

Kind regards,

A. Robbin
